

# Printed Pouches

RECYCLABLE OR TRADITIONAL MATERIALS  
ALL SORTS OF SIZES, STYLES & CLOSURE TYPES

## WHAT IS A RECYCLABLE POUCH MADE FROM?

For a pouch to be considered recyclable it must be produced using an approved single material structure – mono type of plastic.

Fully Recyclable Pouches are one of the featured sustainable packaging solutions that Favourite Packaging is proud to offer.

## BENEFITS OF RECYCLABLE POUCHES

- Consumers can discard our mono-plastic bags through designated recycling programs.
- Packagers, processors and brand owners can further contribute to the circular economy.
- Helps you comply with Industry and Government targets.

## WHAT CUSTOM FEATURES ARE AVAILABLE?

- Virtually any type of pouches; Stand up pouches, flat bottomed, box, side gusseted, flat pouch to name a few.
- We offer the recyclable pouches made from mono structured plastics, available in regular or high barrier.
- Printing can be fully customised to suit your brand or design
- Other options for the finished product can include a clear window, glossy or matt finish, a neutral or paper-touch finish, a kraft colour finish.

## KEY FEATURES

- Providing recyclability or traditional materials, without compromising the brand or product durability.
- Exuding a distinctive look and feel that eco-conscious or traditional consumers expect.
- Favourite Packaging's outstanding service.
- Get the competitive edge.

## POPULAR APPLICATIONS OF POUCHES

Our pouches are widely being used for coffee, supplements, food, beverages, and other powders, solids and liquids.
